

**PRESS RELEASE: EMPLOYEE PROMOTION  
FOR IMMEDIATE RELEASE**

**Kellogg & Kimsey, Inc. Promotes Alden Jones To Project Manager**

Sarasota, FL (May 8, 2019) – Kellogg & Kimsey, Inc. is pleased to announce that Alden Jones has recently been promoted to the position of Project Manager. Alden has four years of construction management experience and earned his Bachelor of Science from the University of Florida’s M.E. Rinker, Sr. School of Construction Management.

Alden first worked with Kellogg & Kimsey, Inc. as a summer intern in 2012. Upon graduation, he began his career with a general contractor in Tampa, FL. He then re-joined K&K in 2017.

Alden has gained a wealth of experience in his previous position at Kellogg & Kimsey, Inc. while co-managing hospitality projects in Georgia and retail projects in Southwest Florida. Alden has amassed nearly \$40 million in hotel project experience in his short tenure at the firm.

In his new role as Project Manager, Alden’s responsibilities will be expanded to include pre-construction functions, accounting duties, and client relations. Alden will also be responsible for mentoring assistant project managers/engineers. His new role will continue to require management of new projects, supervision of subcontractors and field operators and working alongside Project Executives.

**About Kellogg & Kimsey, Inc.**

*Kellogg & Kimsey, Inc. is a national general contracting and construction management firm headquartered in Sarasota, Florida with a branch office in Dallas, Texas. Since our beginning in 1986, we have served the southwest coast of Florida, where we have long been known as a superior general contractor. This reputation has grown with us as we have now completed projects throughout threequarters of the continental U.S. We build a wide range of commercial construction projects, including retail, hotels and resorts, multi-family, restaurants, senior living, automotive dealerships, offices, and religious facilities. In addition to ground up construction, we also specialize in solving the challenges of difficult renovations, additions and tenant finish outs.*
